This item seeks consideration of a petition, submitted as an e-petition, that was received by the Council's Petitions Officer. The petition contains just over 1000 valid signatures and as such is required to be debated at Full Council.	
In accordance with the Council's Petition Scheme, the Full Council has a maximum of 30 minutes at each meeting to consider petitions. Within this time the Principal Petitioner will be given five minutes to present the petition to the Council and the remaining time will be for the Council to consider the petition.	

A petition states as follows ***“No Right Turn - Three Bridges Station Objection”***

“We the undersigned petition the council to commence a further consultation on this issue, including viable options for the retention of the right turn out of the station forecourt, and ensuring that the consultation period lasts for a sufficient period of time and is adequately publicised in order to ensure that all key stakeholders are able to participate fully.”

“We wish to register our concerns at the implications of the loss of the right turn out of Three Bridges Station proposed as part of the re-design proposals which have recently been the subject of consultation by Crawley Borough Council, due to the negative effects we believe this will have on local residents. We also wish to express our concern about the short timeframe in which the consultation took place, and the level of publicity afforded to ensuring that all interested parties were able to have their say effectively.”

The Petition above relates to a responsibility of the Cabinet, and as such Cabinet is required to take the final decision. At this meeting Full Council will consider the petition and decide whether or not to make recommendations to inform the Cabinet’s decision.

It should be noted that the *“Three Bridges Station Improvement Final Design”* report is scheduled to be considered by Cabinet at its meeting on 11 March 2020. Prior to that Cabinet meeting, the Overview and Scrutiny Commission will scrutinise the report at its meeting on 9 March 2020.

The Principal Petitioner will receive written confirmation of this decision. The confirmation will also be published on our website.

Full Council decisions, relating to petitions, which are not unanimous require a recorded vote/s.

The Full Council is recommended to:

1. Receive the contents of the petition and the views expressed by the Principal Petitioner.

adequately publicised in order to ensure that all key stakeholders are able to participate fully.
