<p>1      <b>Delegated Planning Decisions</b></p> <p>Delegated planning decisions for the week beginning 22 April 2019 are attached. Contact for enquiries: Jean McPherson, Group Manager: Development Management on 01293 438577.</p> <p>2      <b>Action Taken Under Delegated Authority (Significant Operational Decision): Windows 10 Project Business Case: Fixed Estate Approach</b></p> <p>The Head of Digital and Transformation in consultation with Deputy Chief Executive and the Cabinet Member for Resources has agreed that the Council adopts a Fixed Estate approach and invests in 325 new hybrid 2-in-1 devices.</p> <p>It is essential that the organisation upgrades to Windows 10 before January 2020 to ensure all applications and operating systems are fully supported by Microsoft and therefore compliant with PSN standards.</p> <p>As the Council's wider Transformation Programme includes the rollout of new, mobile devices, the decision has been made to use the device rollout project as a means to deliver the rollout of Windows 10. The Council's ambition to move to a more agile and flexible work-force requires better, more flexible technology solutions including the user devices. The Hybrid 2-in-1 device is designed to be as portable as a tablet, offering touch screen, 4G connectivity and optional stylus devices, while having a 'fold away' keyboard and the usual connectivity ports of a laptop; they can be used in the field, on the go, as effectively as in the office. These devices are based on the latest technology specifications and therefore offer a longer working life cycle.</p> <p>The alternative options considered as part of this decision can be found on the Council's <a href="#">website</a>.</p> <p>The outcome of the procurement process for the purchase of the 2-in-1 devices will be submitted as a future Significant Operational Decision and published online and in the Councillors' Information Bulletin.</p>	3 - 4
