In addition to these the Report details progress in relation to various indicators linked to the Sustainability Objectives set out in the Local Plan Sustainability Appraisal (SA), and sets out headline information related to the Council's Self-Build and Custom Housebuilding Register.

Publication of the Report fulfils the legal reporting requirements, as well as reinforcing the evidence base for existing and emerging local plan policies. The Report includes an updated picture of recent and anticipated housing delivery in the Borough, and sets out that as of April 2020 the Council was compliant with the requirement under national housing policy to identify a 5-year supply of deliverable housing sites.

Therefore, on 10 August 2021 the Head of Economy and Planning, in consultation with the Cabinet Member for Planning and Economic Development, took the Significant Operational Decision to approve the Authority's Monitoring Report.
