<p><b>4 Action Taken Under Delegated Authority (Significant Operational Decision): Updated Pensions Discretion</b></p> <p>On 29 October 2021 the Head of Corporate Finance updated the current Pensions discretion to include the discretion that, under Regulation 17 of the LGPS Regulations 2013, Crawley Borough Council will exercise the discretion to allow Local Government Pension Scheme members to contribute to a shared cost additional voluntary contribution scheme (SCAVC) by Salary sacrifice arrangements.</p> <p>The amount of these employer SCAVC contributions will not exceed the amount of salary sacrificed by the employee. This is a Council discretion which is subject to the employee meeting the Council's conditions for</p>	

acceptance into the salary sacrifice shared cost AVC scheme and may be withdrawn or changed at any time. This minor change will result in small savings of both Employers and Employees National Insurance contributions. In addition the discretions have been updated for changes in job titles and updated links to the pension's websites.

This decision has been taken following full consultation with the Leader of the Council and the Corporate Management Team.
