At Cabinet on 12th January 2022, it was agreed in principal to implement a PSPO to prohibit dog related anti-social behaviour in Tilgate for a period of 3 years and authority was given to the Head of Community Services in consultation with the Head of Legal, Governance & HR to commence a formal PSPO process including the statutory public consultation.

The proposed PSPO will require all dogs to be on a lead at all times within the restricted area and NO dogs will be permitted in the children's play area and Walled Garden, including the Nature Centre. Working assistance dogs will be exempt from the PSPO. The PSPO will be enforced by the Council's Community Wardens and Fixed Penalty Notices will be issued for any dogs seen not on a lead by the Community Wardens.

Public consultation is being undertaken to see whether there is public support for having such a PSPO in Tilgate Park. The consultation will be taking place between 25th February and 23rd March, including face to face sessions in Tilgate Park on Saturday 12th March and Thursday 17th March, posters will be displayed within the park promoting the consultation and in all neighbourhood noticeboards, as well as promotion via social media.

The online engagement platform is live and NHS West Sussex CCG will be working with communities and groups over the next five weeks to hear their views on services in the town and how these can be further improved.

Attached (for Councillors only) is a Communications Toolkit pack, provided by NHS West Sussex CCG, which they have asked us to share with you in case you may find it useful when talking to the local community about this matter. There will also be translated versions of these materials available next week.
