## 5 **Consultation on Goffs Park**

The Council has launched a consultation on Goffs Park to shape how it manages and invests in the park in the future. Starting from 1 September 2022, the four-week consultation aims to better understand what local residents, visitors and stakeholders love about the park and their aspirations for the park in the future.

The Council is offering two drop-in sessions for people to fill out the survey in person at the park:

- 10am-12 noon on Saturday 3 September at the kiosk
- 3-5pm on Tuesday 20 September at the play area.

Options based on the consultation findings will then be presented to councillors for consideration as part of the 2023/24 budget setting process.
