4 **Action Taken Under Delegated Authority (Significant Operational Decision): Minor Amendment to the Anti-Fraud and Corruption Policy**

At its meeting on [6 July 2022](#) the Cabinet approved the Council's Anti-Fraud and Corruption Policy (FIN/576 refers) for adoption and publication and delegated authority to the Head of Corporate Finance (in consultation with the Leader) to review and make minor amendments to the Policy as further changes to legislation and statutory guidance are introduced.

In line with that delegation, on 8 November 2022 the Head of Corporate Finance, in consultation with the Leader, made the following minor amendment to Section 2 Item 8 to keep the Council's Anti-Fraud and Corruption Policy up to date:

Delete "All evidence gathering will comply either by the act being used the collect the information or by the Data Protection Act 1998. This is soon to be replaced by the EU General Data Protection Regulation (GDPR) from May 2018" and replace with "All evidence gathering will comply either by the act being used to collect the information or by the Data Protection Act 1998 which has now adopted the UK General Data Protection Regulations."

This reflects that the Data Protection Act now includes all the GDPR changes.
