2023 version of the SoCG was published on the Crawley Borough Council webpage and submitted to the Planning Inspectorate alongside the Crawley Borough Local Plan to support its examination, and demonstrate that the councils have met the Duty to Cooperate.

Since the previous version of the SoCG was agreed, Horsham District Council has progressed with its Horsham District Local Plan. This has been published for Regulation 19 consultation and is currently being finalised for its own submission to the Secretary of State for independent examination.

On this basis, the SoCG has been revised to reflect factual changes and the progress made since July 2023. As it is an update on the 2023 SoCG to support the submission of the Horsham District Local Plan, it was signed off by the Head of Service on 27 June 2024, in accordance with the delegation scheme.

The revised June/July 2024 SoCG is available on our [website](#).
