HAZELWICK ROAD CONSERVATION AREA STATEMENT

The Council has prepared the Hazelwick Road Conservation Area Statement SPD. This report seeks Cabinet Member approval to formally adopt the Hazelwick Road Conservation Area Statement (2019).

Conservation Areas are designated because they are recognised as areas of special architectural or historic interest which it is desirable to preserve or enhance. Hazelwick Road Conservation Area was designated in March 2013, though currently has no adopted Statement.

Hazelwick Road Conservation Area Statement therefore identifies the key historic and architectural features of the Conservation Area, and provides guidance to assist in the interpretation of Local Plan heritage policies to ensure that the special character of the area can be preserved or enhanced.

Type of Decision:

Non-Key

Consultation Arrangements:

A draft version of Hazelwick Road Conservation Area Statement was published for a four-week period of public consultation between 22 February 2019 and 5pm on 22 March 2019. This is in accordance with regulation 12.(b) of the Town and Country Planning (Local Planning) (England) Regulations 2012, and the council's Statement of Community Involvement.

WASTE & RECYCLING CONTRACT

The Council's existing contract with Biffa for the collection of household waste and recycling is due to expire at the end of January 2021.

The contract includes an option to extend this, by mutual agreement with Biffa, for a further period of up to three years.

Should the Council or its contractor not wish to take up this option then a re-procurement process would ideally need to be initiated in July 2019, in order to allow sufficient time for the contract procurement process, as well as the procurement of the necessary vehicle fleet within the mobilisation period.

CAPITAL STRATEGY 2020/2021

In order to demonstrate that the Council takes capital expenditure and investment decisions in line with service objectives and properly takes account of stewardship, value for money, prudence, sustainability and affordability, the Council should have in place a capital strategy that sets out the long-term context in which capital expenditure and investment decisions are made and gives due consideration to both risk and reward and impact on the achievement of priority outcomes. The capital strategy should form a part of the Council's integrated revenue, capital and balance sheet planning.
