### Representation

Please select all that apply:  
Please give the details of your representation, indicating how you feel it links to the objective(s) you selected.:

The prevention of crime and disorder , The prevention of public nuisance

Noise Coming from the halls functions would cause a public nuisance this is currently limited to 11pm but a late licence would allow that to go on into the night in this very much residential area not suited to these late events which would likely increase risk of crime in same way it does any area late licenses are granted

I confirm to the best of my knowledge that
