Are you: Making a representation for or against a variation of an existing licence.

Please select all that apply: The prevention of crime and disorder, Public safety, The prevention of public nuisance, The protection of children from harm

Please give the details of your representation, indicating how you feel it links to the objective(s) you selected.: I wish to raise my objections to the proposal to extend the licence and opening hours at the Masonic Hall on Ifield Drive. As a local resident I am already subject to the patrons consistent disregard for the safety of the public around the area. Extending the licencing and opening hours will only increase the problem.

Patrons habitually park illegally along Ifield Drive in contravention of the highway code by parking too close to the junctions of Ifield Drive with Old Manor Close and Rusper Road. Additionally, whilst I have no proof, a licensed premises plus a good deal of patrons using cars to attend, driving whilst under the influence of alcohol may take place. (Prevention of Crime and Disorder).

Referring to the dangerous parking practices, the safety of other road users and pedestrians in the area is being compromised, this can only get worse if licencing and opening hours are extended (Public Safety).

Whilst Old Manor Close is not a private road, reasonable consideration must be given to its residents by the patrons of the Masonic Hall when they park in Old Manor Close, parking on both sides of the Close creating

a 'slalom' between parked cars is a nuisance that borders on dangerous behaviour (Prevention of public nuisance).

Finally, all of the previous points (Illegal parking, safety of other road users and pedestrians, parking along Old Manor Close) all serve to increase risk to children either living in the local area, using the park facilities nearby, attending the doctors surgery, and also visiting Scout groups, Air Training Corps, schools and Churches in the immediate area (Protection of children from harm).

You may include a file or image with your form to support your evidence (max. 2MB):

I confirm to the best of my knowledge that the details given are correct.: Confirm Date::
