Hackney Carriage Table of Fares **PROPOSED CHANGE AND INCREASE TO MAXIMUM FARES**

The Crawley Hackney Carriage Association submitted a proposal for an increase in the fare charged by hackney carriages.

The Council reviewed and proposed the implementation of a Simple Tariff and card, but was unable to continue due to various challenges and complexities regarding it being compatible with data systems. Therefore, the original Tariff Card format is being used.

I have attached a copy of the proposed tariff on the reverse of this letter.

The proposed tariff includes an additional 10p to every mile.

There has also been an additional tariff created which is Tariff 4 and this tariff applies to vehicles carrying 5 or more passengers and applies between 6am and 23:59 only.

Please review the proposed tariff changes and contact the Council whether you either agree or disagree with the proposed tariff. You can advise us in writing or via email to taxis@crawlley.gov.uk by close of business on **Friday 18th October 2019** with any comments you wish to make.

If I do not hear from you by this deadline, it will be assumed that you agree with the proposal

If you have any questions concerning this matter please contact the Licensing Section during normal office hours on 01293 438944 or alternatively by e-mail to taxis@crawlley.gov.uk

Yours sincerely
