NOTICE OF MOTION 1 – MOTION OF NO CONFIDENCE

Mover Councillor Crow and Seconder Councillor McCarthy

This Council resolves:

Due to the Labour Administration losing its majority at the Council and that at the time of tabling this motion, no cross-party agreements have been reached on the future running of the Council until elections can be held in May 2021, this Council has no confidence in the current Leader and Labour Administration to be able to deliver for the residents of Crawley. Therefore, this motion seeks the removal from office of the Leader.
