1. Minute Silence and Tributes to Former Councillor Beryl McCrow

The Full Council observed a minute's silence in memory of Beryl McCrow, a former Councillor and Cabinet Member, who had sadly passed away since the last meeting of the Full Council.

The Mayor then invited representatives from each party to pay tribute to former Councillor McCrow. Councillors Crow, Lamb, Lanzer, Mullins, Pickett and the Mayor on behalf of the Council paid their respects with heartfelt and touching tributes.

2. Disclosures of Interest

The disclosures of interests made by Councillors are set out in Appendix A to these minutes.

3. Minutes

The minutes of the meeting of the Full Council held on 26 February 2020 were approved as a correct record and signed by the Mayor.

4. **Procedural Motion - 11 q) To suspend a particular Full Council Procedure Rule.**

Before the Mayor could commence with agenda item 3 – Election of the Mayor 2020/2021, Councillor Lamb, the Leader of the Council, moved a Procedural Motion – 11 q) *To suspend a particular Full Council Procedure Rule*. In doing so he proposed that Virtual Committee Procedure Rule 10.4 – *For any Committee held virtually, all voting will be held via a recorded vote taken by the Head of Legal, Democracy and HR or other Legal Officer/Democratic Services Officer on behalf of the Chair* be suspended for the current meeting. Instead it was proposed that each political Group be able to use a Block vote, where one Councillor be nominated to vote on behalf all of their respective Group. Councillor Lamb suggested that the Group Whip would be logical Councillor to be using the block vote.

Councillor Crow, the Leader of the Opposition, then seconded the Procedural Motion and confirmed his support for the proposal.

For clarification it was confirmed the reason why a Full Council Procedural Motion related to the Virtual Committee Procedure Rule (VCPR), as the VCPR took precedent over any other Procedure Rules if the meeting was being held virtually. It was also explained to the meeting that should the Full Council accepted the proposed Motion enacting Block Voting, all individual Councillors would still have the opinion to vote individually rather within their Group's vote, should they so wish.

The Mayor then invited the Democratic Service Manager to commence the recorded voting process on the Procedural Motion - 11 q) *To suspend a particular Full Council Procedure Rule* in relation to Virtual Committee Procedure Rule over all voting being held via a recorded vote, and to enable Block Voting be enacted to allow the Group Whip to vote on behalf of their respective Group as a block vote.

The names of the Councillors voting for and against the Procedural Motion were recorded as set out below:

Voting in Favour: Councillors: Ascough, Ayling, A Belben, T Belben, B Burgess, R Burgess, Burrett, Crow, Eade, Flack, Guidera, Hart, Irvine, Jaggard, Jhans, Jones, Lamb, Lanzer, Lunnon, Malik, McAleney, McCarthy, Millar-Smith, Mullins, Mwangale, Peck, Pendlington, Pickett, Purdy, Rana, Sharma, B Smith, and P Smith. (33)

Abstentions: Councillors Fiveash and Sudan (2)

The Mayor declared the Procedural Motion was carried – votes in favour 33, and votes against 0 with 2 abstentions.

8. Notice of Motion 1 - Motion of No Confidence

Councillor Crow was invited to move and present *Notice of Motion 1 - Motion of No Confidence*, however Councillor Crow rather than moving the Notice of Motion, he instead withdraw the Motion. In doing so Councillor Crow explained that given the seriousness of the situation he was pleased both groups had reached an agreement on the way forward. The challenges over the last few months had been well documented and it was believed that the people of Crawley wanted us their elected representatives to work together. We were putting the people of Crawley and this town first. The deal would work well for the Council and ensure stability.

Councillor Lamb responded, thanking Councillor Crow for withdrawing the Motion. It was noted that there had been positive responses to the agreement. He highlighted

that difficult decisions were facing the Council's future but we would get through them as a unified Authority.

10. Public Question Time

Question to Councillor P Smith as the Cabinet Member for Planning and Economic Development from Mr Richard Symonds

It has been said unity does not mean sameness - it means oneness of purpose. It is in that spirit of unity I ask this question:

At the end of last year, it was reported this Council did not support Homes England's £3bn masterplan for 10,000 houses West of Ifield.*

Can this Council confirm they still do not support Homes England's masterplan, even though they have allowed this developer to establish an office within the Town Hall?

("10,000 homes not supported", West Sussex County Times, October 10 2019)*

Response by Councillor P Smith – (Cabinet Member for Planning and Economic Development)

I would like to thank Mr Symonds for his question. I think it is clear that the Council is not supporting at this time, the Homes England's proposals in as much as we know them. We are as a Planning Authority talking to Homes England, to try to understand their proposals as part of preparing our Local Plan but the Council itself does not support the proposals as much as we understand them.

Renting space in the town hall to other organisations is a way of helping us to pay our bills and a way to avoid having to make cuts when faced with a £2m shortfall in our budget in 2020/21. All the rent we can get from the commercial properties that we own goes towards that and reduces the amount of money we need from the taxpayer.

The two things are completely separate that we have given a lease to Homes England to occupy a space in the Town Hall it doesn't in any way affect any decision we will make in either the forward planning or the development management of the Local Plan and planning in Crawley and it does not influence our position on any proposals that Homes England may make on West of Ifield or any other proposals for that matter, they are completely separate. I hope that is helpful Mr Symonds and thank for raising this interesting question.

The Democratic Services Manager left the meeting for the next item

11. Appointment of Interim Monitoring Officer - (Recommendation 3)

The Full Council considered report [CEX/51](#) of the Chief Executive which detailed that the Council has a statutory duty to appoint a Monitoring Officer, under Section 5 of the Local Government and Housing Act 1989 as one of its designated Officers. Officer will become vacant. The report proposed that an interim Monitoring Officer, be appointed until such time as a permanent Monitoring Officer could be appointed.

The Leader of the Council moved the report and in doing so paid tribute to Ann-Maria Brown. Councillor Crow in seconding the report also thanked Ann-Maria Brown, for hard work for the Council.

Councillor Mullins and the Mayor on behalf of the Council also thanked Ann-Maria Brown and wished her all the very best for her retirement.

15. Councillors' Questions Time

<p>Councillor Crow to the Cabinet Member for Planning and Economic Development</p> <p><i>It is very good to see the market is up and running again in its current location and it's been good to see the reopening of the town centre. But what I would like to ask is given the works to Queensway are complete is the Cabinet Member able to let us know when the market will be moving to its new planned location and also if the council is currently the market operator how long is that arrangement likely to continue?</i></p>	<p>Councillor P Smith – (Cabinet Member for Planning and Economic Development)</p> <p><i>We have designed the Queensway and The Pavement to be the long term permanent location for a market and that includes installing facilities and infrastructure under the paving for water and power and to have a market that complements the shopping offer in that area that actually works for both for the shops in the retails units adjacent but also for the market so they can have complementary offerings. We do recognise however that the market we operate at the moment (the borough council operates it directly) is a temporary arrangement. We put that together because the previous arrangement delivered very little. We have been running the market on an ad hoc basis for several years now. This was particularly due initially to the hard work of Alfredo Mendes who has now retired and I thank him for his hard work. The question about when are we going to launch the market in the new location is interesting as we have invested a lot of time and effort in the infrastructure to support a long term</i></p>

Name of Councillor asking the Question	Name of Cabinet Member(s) Responding
<p><i>I hope we can get a successful market up and running in the location we planned for and adopted. I wasn't aware there were going to be additional costs but if the Cabinet Member could keep members informed I'd be very grateful.</i></p>	<p><i>solution to the market, to have a quality market that works within a retail environment. We therefore need to have proper funding in order to set up and decide on the method of operation, perhaps arrange a community interest company, or a co-operative but no decisions have been made. But the launch is important to get the market going successfully and it depends on budget.</i></p> <p><i>Yes I'll consult and keep members informed. We do this on the Economic Regeneration Working Group. The costs would be around launch costs, setting up the publicity etc.</i></p>
<p>Councillor T Belben to the Cabinet Member for Planning and Economic Development</p> <p><i>Sadly the number of cases of Covid19 have risen in Crawley. Are you happy that Crawley Borough Council has done everything possible to ensure residents practise social distancing particularly in Queens Square? Also is there anything all members could do to assist in promoting social distancing please?</i></p>	<p>Councillor P Smith – (Cabinet Member for Planning and Economic Development)</p> <p><i>I think you raise a very good point. We have increasing footfall in the Square following national government announcements. We have quite a few comments on social media and other media regarding people's behaviour in general and it's very difficult to find or say in an absolute way what is right or wrong. Particularly when we've seen government announcements on a Sunday for activities which are allowed to take place within 24 hours in some cases.</i></p> <p><i>However having said all that, the Economic Development Team led by Clem Smith have hired Consultants around the processes and procedures to be in place to encourage social distancing and most importantly to support our businesses across the whole of the town centre and County Mall. They installed all the signage you see, improved signs over the top of our monuments using our branding, installed footfall signs, produced guidance for store operators, worked with County Mall manager and others. It's tough to police regulations that are fairly loose. I think it's been reasonably successful. I think the situation around masks is going</i></p>

Name of Councillor asking the Question	Name of Cabinet Member(s) Responding
<p><i>It is good that we're allowing retailers to put cordons out for people to queue. Unfortunately some pedestrians still walk very close. It's important that we get the message out there that we fight this disease together.</i></p>	<p><i>to open up a can of worms as very few people appear to be wearing them and there is a perception that it's business as usual. It's not like that. Officers at the council have been enforcing government policy to the best of their ability with the funding available. I would like to encourage the public to visit our shops but recognise proper social distancing. It is in the interests of other people as well as yourself to wear a mask and I would recommend it.</i></p>
<p>Councillor Pendlington to the Cabinet Member for Planning and Economic Development</p> <p><i>This question refers to the pedestrian connection between the Queensway/ Queens Square part of the Town Centre and the Memorial Gardens. Whilst it has been upgraded which is brilliant it is still not providing a safe and clear right of way for pedestrians there. Cars still drive away too fast. I was wondering on your thoughts as to whether anything further could be done?</i></p>	<p>Councillor P Smith – (Cabinet Member for Planning and Economic Development)</p> <p><i>This project we've done in the Queensway, particularly in the Memorial Gardens and The Pavement interchange has some fairly risky elements to it. One was to reduce the hedge, blend the two areas together and the second was to make the road part of the scheme a shared space. When vehicles enter from College Road they have to go up a ramp, the texture and colour of the pavement changes and more people are moving across that space. There are very low volumes of traffic along there and most people have been recognising that it is a shared space and progressing at a cautious speed. The thing that is not working successfully at the moment is that vehicles have been halting across the road from Sainsburys and British Heart Foundation and been parking on the pavement which is illegal and also damages our infrastructure. We need to encourage the community to respect the considerable investment we've made in our town. We will be doing more publicity to recognise the shared area but we wanted to let it all bed down first as we don't want lots of signage.</i></p>

Name of Councillor asking the Question	Name of Cabinet Member(s) Responding
<p>Councillor Eade to the Cabinet Member for Planning and Economic Development</p> <p><i>There has been a vacant shop on the Furnace Green parade for several months. Is it likely to be let soon by the council or will it continue to be vacant for the rest of the year?</i></p>	<p>Councillor P Smith – (Cabinet Member for Planning and Economic Development)</p> <p><i>I'm afraid I don't know the full answer to the question and I don't receive frequent updates. However, at the Overview and Scrutiny Commission the officers updated the meeting that there is only 1 vacant unit on our asset register and I was passing Furnace Green and the Graves Jenkins sign says 'under offer'. I will be happy to find out the current status and let you know.</i></p>
<p>Councillor B J Burgess to the Cabinet Member for Wellbeing</p> <p><i>As you know the Memorial Gardens lost its Green Flag due to circumstances at the time. It looks like going forward specialisms involved in the management plans, applications and assessments and the plans have been reviewed and assessed as you know and the management template has been altered to reflect the Green Flag criteria. With this and the present crisis in mind, how hopeful are you that the Memorial Gardens will get a Green Flag in the near future?</i></p> <p><i>I agree totally with what you have said Councillor Mullins. We have the most amazing staff in Crawley. The people that do the parks and gardens are exceptional. They have our town looking really good again. I know during the Covid height they were doing other work and they need our thanks. Any</i></p>	<p>Councillor Mullins – (Cabinet Member for Wellbeing)</p> <p><i>I've always been so delighted when I've gone to events with our staff but also a little guilty to some extent as I go as a Portfolio Holder to help them receive these honours when I know very well that it's those staff that have done all the work. That is something we must never ever forget when we receive awards. People like us receive these awards on behalf of the council but we're receiving them on behalf of the staff, working in the wind, rain and sun. I always like to think about questions like this about the staff, who have done an excellent job but also through this Coronavirus crisis have really gone and done whatever management have asked them to do. Of course I want us to win the Green Flag again, we've consistently won it in the past and there's no reason why we can't win it again. At the moment, we just don't know how things are going to turn out, but my ambition is always to take these honours for the staff, for the people that deserve them and have the town put on the map.</i></p>

Councillor Raj Sharma Mayoral Farewell Speech

This has been a most unusual Mayoral year for myself. I started my engagements the following day and then a large mayoral engagement in the Council chamber the following week. That was the last social event in the civic hall before the builders moved in. Being a Mayor for the second time in three years meant I was more at ease from the start and carried out with my functions and duties with some flair I think.

Each and every function was a memorable one but meeting and greeting Prince Charles and Camilla, the Duchess of Cornwall on separate occasions was very special for me. Throughout the year I engaged with a variety of people from different communities, clearly indicating the richness and diversity within Crawley. I was well received by all of the communities and all my functions were well attended by a core section of the Crawley residents.

After the busy schedule of Christmas I especially enjoyed attending the 100th birthday of a local resident and reading a message from her Majesty the Queen to her and her family of five generations, who were gathered together at the Apple Tree pub. It was a treat even for myself and it was so fulfilling and rewarding to see the happiness on their faces admiring the grand matriarch of their family. When we look to friends we look not only in Crawley but in Surrey, Sussex and in London and I was the guest of the Indian High Commissioner and the Ahmadiyya Muslim Community

All of our meetings were in the Charis Centre which meant I fully missed not having a Mayor's Parlour and not being able to share the lovely food my dear wife has provided previously. She is one of three people without whom my Mayoral year engagements would not have been possible. The other two being Bob Donaldson, our Chauffeur and Hayley Thorne, Mayor's PA.

Just as we're planning some wonderful fundraising, food and culture events, we were hit by the Coronavirus pandemic and all engagements ceased. The Mayoral year was extended to 14 months but the functional year was reduced to 9 months. I am very disappointed for both of my well-deserving charities, namely the Manor Green Community College in Ifield and the Posh Club in Broadfield for not being able to raise the additional money that those charities' events would have been able to do.

This is the first Full Council meeting since 26th February although some of the other meetings have been virtual meetings. The pandemic has shown that as a human race how vulnerable we are. I was also saddened to lose 2 serving members and past Mayors, although not to Covid19. They will all be missed.

Even now, during lockdown, the sad ugly face of racism has emerged with the murder of George Floyd. We are re-living the memories of the 60s and 70s. Black Lives Matter. In fact all lives matters. There is a fair representation of the BAME community in both sides of the chamber where we all know that racism is deep rooted and entwined into every area of society. We remove one layer and find there are several underneath. We owe it to our children and future generations to introduce them on the history of the Empire and the Commonwealth as a subject. These need to be taught at every level of schooling for the indigenous community to understand why the BAME community are in Britain.

I ventured out applauding the wonderful work of our NHS visiting some Care Homes and Crawley Hospital it was resoundingly apparent that the BAME staff were there on the front line. It is known fact that the death rate amongst them was un-proportionately high. We collectively need to look at our social-economic system and structure and see the inequalities

that exist within it. We all need this time together under the Crawley Campaign against Racism slogan 'One Race, Human Race'.

On a positive note, there is no doubt our Crawley Borough Council staff have been working very hard during these difficult times. They have adjusted and coped during difficult circumstances and provided first class service to all the residents of Crawley. They deserve all the applause we can provide and I for one, applaud the staff of Crawley Borough Council for doing a wonderful job.

Finally I want to thank all the residents of Crawley, my colleagues, my family for supporting me during the rather unusual year. For me as always there is only one Crawley, a unified Crawley. God bless Crawley and keep its residents safe. Thank you.

Councillor Francis Guidera

Mayoral Speech

Firstly I need to thank everybody for elevating me to this truly honourable position of Mayor of Crawley. A fair few things have been said already. I agree with Councillor Lamb, yes we do disagree on some things. We have often talked about it and it's about how we get there that we differ. But the goals of making lives better for people, they are the goals that we generally share as Councillors, and that's what every Councillor regardless of their party should come into this for.

I'm humbled to have been made Mayor of Crawley. I was born here in 1975 at Crawley hospital. I am really proud of my home town. I plan to spend my time as Mayor promoting Crawley during this very difficult economic time. I plan to promote Manor Royal as the premier business district in the country. I plan to do whatever I can to promote Gatwick airport and obviously all of that is to try and support and promote jobs during what we all know is a tremendously difficult time for everybody.

I would like to thank my wife Andrea for being such a fabulous and supportive person. My role as Tilgate Councillor has taken a lot of energy out of me and I tend to wonder sometimes will I run out. But I keep going and I'm really proud to have Councillor Mwagale supporting me, obviously newly elected, and Councillor Crow is also very supportive. I do want to mention as part of my speech Councillor Charles Jeffery Petts who sadly passed away a year ago today and today is also my father's 75th birthday so today is a day of very mixed emotions but I am extremely proud and honoured to be taking on this role.

My mayoral charity this year, which will hopefully please former Mayor Raj Sharma, is Manor Green School and College. My two twin step sons attended that school and before they moved back to the USA to live with their father, one of the things they said was, and coming from two lads with special educational needs I found quite profound, was it would be lovely if we could build a Manor Green in Georgia. That was the regard they held the school in and they loved their time there. We are so lucky to have a school like Manor Green in Crawley. I understand from what I've been told that there are so many children out of area desperate to get a place there because it is so brilliant. I look forward to working hard and helping to fund raise. And obviously I understand that Covid has created issues with the ability to fund raise and Councillor Sharma is more than welcome to join me in trying boost those 'coffers'.

Beyond that once again I am truly honoured, thank you so much everybody.
