

# Tilgate Park Public Spaces Protection Order restricted area map

This map shows the area that would be covered by the Public Spaces Protection Order for dogs on leads at all times. It covers Tilgate Park, Tilgate Nature Centre and Tilgate Forest Golf Centre. The boundaries are the M23 in the south, the railway line in the east, Tilgate neighbourhood in the north and Forestry Commission land to the west.

The map also shows the areas where no dogs would be allowed; these are Tilgate Nature Centre, the Walled Garden or the children's play area.
