

WINTER BLANKET DONATIONS

Biffa and Crawley Borough Council are working in partnership with Age UK this winter collecting blankets for older people across Crawley and surrounding areas. This will support their campaign to reach as many vulnerable people across Sussex, who could be struggling with their bills and food shopping this winter.

We are looking for the kind-hearted people to donate new blankets. Please donate blankets directly to your local bin man or leave with your bin on your collection day.

Collections will take place between 21 November and 17 December and all blankets will be donated to Age UK to support the elderly in Crawley this winter.
