

Crawley Borough Council

Report to the Audit Committee

6th March 2018

Internal Audit Annual Plan 2018 - 2019

Report of the Audit and Risk Manager – **FIN/438**

1. Purpose

- 1.1 The Committee has a responsibility to assess the adequacy of the Council's internal audit and risk management arrangements. This includes considering and reviewing the adequacy of the Internal Audit Budget and Resource Plan and approving the Internal Audit Plans ensuring that appropriate risk assessments have been carried out when formulating these.

2. Recommendations

The Committee is requested to make any recommendations they wish on the proposed 2018 – 2019 Annual Internal Audit Plan.

3. Reasons for Recommendations

The Audit Committee has responsibility to review the proposed Internal Audit Plan.

4. Background

- 4.1 The Council has a statutory duty to “undertake an adequate and effective internal audit of its accounting systems and of its system of internal control” – Accounts and Audit Regulations 2011 – Regulation 6. This responsibility is delegated to the Head of Finance, Revenues and Benefits.
- 4.2 The plan was reviewed by the Corporate Management Team members in January 2018 and the following Plan agreed.

5 Supporting Information and Analysis

- 5.1 The 2018/2019 annual audit plan allows for examination of the main financial areas from a systems and from an IT perspective, and is key to ensuring the Council's finances remain properly controlled, whilst also undertaking strategic and service based work each with a varying risk to the organisation.
- 5.2 The plan also includes some specific reviews from previous audit work; this is to ensure the Council is being consistent in their approach to these areas year on year.

- 5.3 A total of 220 days has been set aside in the plan for the work that we will be undertaking as part of the shared service arrangement with Mid Sussex District Council.
- 5.4 The Appendix includes an outline scope for each audit area. A detailed scope and objectives for each audit will be agreed with the Heads of Service prior to the commencement of each individual review.
- 5.5 Best practice dictates that an audit plan should be prepared to meet the audit needs of the organisation, regardless of the level of resources available to deliver the plan. If the days required exceed the days available, then it is for management to decide whether additional resources should be made available or whether they are happy to accept the risks involved in not doing some of the reviews, and which reviews should be omitted.
- 5.6 The service will be delivered using a mix of in-house staff and specialist external consultants.
- 5.7 In considering the plan, Members should consider whether:-
- It accurately reflects the audit needs of the Council and the external auditors;
 - There are audits that should be included that have been omitted;
 - There are topics that the Committee does not consider to require that Internal Audit cover.

6. Implications

- 6.1 The plan needs to provide sufficient coverage to meet the Council's statutory duty to undertake an adequate and effective internal audit plan.
- 6.2 The plan can be met with the proposed budget.

7. Background Papers

- 7.1 None.
