

Crawley Borough Council

Report to Audit Committee

20 March 2023

Approval of the 2021/22 Statement of Accounts

Report of the Head of Corporate Finance – FIN/619

1. Purpose

- 1.1 The purpose of this report is to seek member approval of 2021/22 Statement of Accounts.

2. Recommendations

- 2.1. That the Committee:
- a) Approve the 2021/22 Statement of Accounts.
 - b) Authorise the Chair of the Committee to sign the 2021/22 Letter of Representation.
 - c) Authorise the Chair of the Committee to sign the 2021/22 Statement of Accounts on behalf of the Council should there be no material changes.

3. Reasons for the Recommendations

- 3.1. The Council has a statutory responsibility to approve the statement of accounts by 30 September, or as soon as reasonably practicable after the audit if the audit has not been concluded by this date.

4. Background

- 4.1. The Accounts and Audit Regulations 2015 set out the requirements for the accounts and audit of certain public bodies. One of the requirements is for the statement of accounts to be approved by a resolution of a Committee and for the Chair to sign the accounts. The Accounts and Audit (Amendment) Regulations 2021 have moved the latest date for approval to 30 September 2021, though the 2015 regulations allow the approval to be as soon as reasonably practicable after the audit if the audit has not been concluded by this date.
- 4.2. To enable the accounts to be signed by the due date and to encourage a robust review of the accounts, the Full Council has delegated the approval to this Committee.

- 4.3. This report deals with the Council's accounts as published in the required statutory format. The focus of the report is on recording all the assets and liabilities of the Council rather than a comparison with the original budget plans for the year. A summary of the outturn for 2021/2022 comparing actual expenditure against approved budgets was considered by Cabinet in July 2022.

5. Narrative Statement

- 5.1. The Narrative Statement is attached as Appendix B. The Narrative Statement and Statement of Accounts are shown as separate documents.
- 5.2. The narrative statement includes a brief explanation of the financial statements (see pages 21 to 23).

6. Statement of Accounts 2021/22

- 6.1. The 2021/2022 Statement of Accounts is attached as Appendix C.
- 6.2. As in previous years, the Comprehensive Income and Expenditure Statement is now prepared on the same basis as the Council is organised – so the services breakdown is on a Portfolio basis. The Expenditure and Funding Analysis links the Outturn report to the Comprehensive Income and Expenditure Statement.
- 6.3. The statement of accounts is a very technical document and is not easy to understand. The main points from the accounts are set out below:
- 6.4. The Movement in Reserves Statement shows a decrease in the General Fund balance (inclusive of Earmarked Reserves) of £13.2 million (page 9). Note 10 details the contributions to, and use of, earmarked reserves. The Council's total usable reserves have decreased during the year from £100.9 million to £83.4 million. The main reason for this are set out in 6.5 below.
- 6.5. The Business Rates Equalisation Reserve decreased during the year from £21.8m to £8.0m. This was due to the business rate reliefs that were awarded to leisure, nurseries and retail and hospitality businesses after the budget for the 2020/21 was set, and this has subsequently been reversed out in 2021/22. The balance of this reserve should be read in conjunction with the Collection Fund Adjustment Account balance in the Unusable Reserves which has reduced from £18.1m to £2.5m (page 60).
- 6.6. The Balance Sheet (pages 11 - 12) shows that the Council's total assets less liabilities have increased from £796.9m to £928.1m. The main reason for this is the revaluation of assets of £108.8m (page 61).
- 6.7. An explanatory document "[Understanding Local Authority Financial Statements](#)" aims to give Members and other stakeholders an introduction to the format of the accounts.

7. Annual Governance Statement

- 7.1. The Accounts and Audit Regulations 2015 establish requirements relating to systems of internal control, and the review and reporting of those systems. Internal control and risk management are recognised as important elements of good corporate governance. The regulations state that:

“A relevant authority must ensure that it has a sound system of internal control which—

- (a) facilitates the effective exercise of its functions and the achievement of its aims and objectives;*
- (b) ensures that the financial and operational management of the authority is effective; and*
- (c) includes effective arrangements for the management of risk.”*

- 7.2. The Council is required to produce an Annual Governance Statement in line with guidance contained in the CIPFA/SOLACE document “Delivering Good Governance in Local Government”. The Annual Governance Statement for 2021/22 was considered and endorsed by the Audit Committee at its meeting held on [25 July 2022](#) (minute 10 of that meeting refers).

8. Audit of Accounts for 2021/2022

- 8.1. The audit of the accounts commenced in January and is expected to complete shortly. As stated in Ernst & Young’s Audit Results Report (elsewhere on the agenda) no substantial issues have emerged as a result of the audit.

9. Letter of Representation

- 9.1. The Letter of Representation (Appendix A) are the assurances made by management and members to the auditors that all information pertinent to the audit has been made available to them.
