p.100	Cabinet 27 November 2018 Minute 8.	Station Gateway Programme Update (Recommendation 3)

Part B Items

The Council is reminded that as is the usual practice the minutes of all meetings are recorded in Part A, and that when the minutes come before Council they are debated in Part A unless exempt information is likely to be discussed. The list above indicates that there are no Part B items to be debated. The Mayor will therefore confirm his intention to hold the debate on these items in open session unless any Member considers it likely that information that is exempt from disclosure is likely to be disclosed during the debate. In which case, they may move the deferral of the item(s) until the end of the meeting. If the deferral is agreed the Mayor will move the following motion once all other business has been transacted:-

That under Section 100A (4) of the Local Government Act 1972 the public be excluded from the meeting for the remainder of the meeting on the grounds that it involves the likely disclosure of exempt information as defined in Part 1 of Schedule 12A of the Act by virtue of the paragraph(s) specified against the items.

In debating in open session, Members are asked to be mindful of the fact that they should not disclose any information that is exempt from disclosure, **such as details relating to legal advice received, individuals' financial affairs or information that might be commercially sensitive.**
